DOCKET NO. 94-719-G - ORDER NO. 95-1476 ✓
AUGUST 25, 1995

IN RE: South Carolina Pipeline Corporation -)	ORDER
FERC Order No. 636 Issues.)	DENYING
)	INTERVENTION
)	OUT-OF-TIME

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Petition to Intervene Out-of-Time filed on August 14, 1995, by Enron Capital & Trade Resources (Enron). The Petition states that Enron is a natural gas marketing company and that Enron is vitally interested in the outcome of this proceeding. Enron offers that it has only recently become aware of this proceeding and therefore requests that its Petition to Intervene be granted.

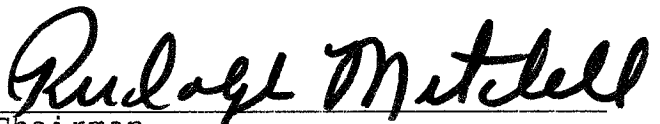

The Commission notes that the return date on this proceeding was January 30, 1995, which was over six (6) months before the date this instant Petition was filed. The Commission does not find good cause to grant the instant Petition to Intervene Out-of-Time. Accordingly, the Commission denies the instant Petition to Intervene Out-of-Time.

IT IS THEREFORE ORDERED THAT:

1. Enron's Petition to Intervene Out-of-Time is denied.

2. This Order shall remain in full force and effect until further Order of the Commission.
